Dear Mrs. Manley:

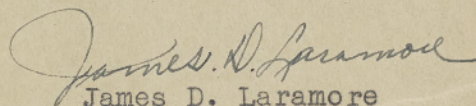

I received your letter today, was very glad to hear from you and also received a check. I will pick up the envelopes tomorrow and start addressing them immediately.

I am very glad that the team is doing fine. I have been talking quite a bit of baseball. It looks very good for this season. Most of the boys are home now and there are even two local teams trying to get organized. Last Tuesday a gentleman was heard from Philadelphia by the name of Mr. Victory and he is contemplating playing any number of games this year and I understand that his team will be known as the Trenton Stars.

You mentioned to me in your letter about the newspaper I have checked about three news stands and I have been informed by them all that the Afro is the biggest circulation in Mercer County. Therefore I feel that it is necessary to give the Afro a trial and I have also been informed that the Telegram in which you and I were talking about is beginning to cover quite a bit of territory. I imagine because of its gossip.

Right at present, I can't think of anything else of much importance. I will finish getting out the window cards this week.

Very truly yours,

James D. Laramore
